I would prefer that one of the above pictures be utilized if possible. They are clearer pictures and actually show the entire sampling train once the sampling was initiated.

What do you think?

Subject: Photo to use in newsletter?

Hi –

Don Stilz took this photo yesterday.

Would it be alright to use it in the Fact Sheet we are developing for the Site?

The fact sheet may be posted on the web page we are developing and may be distributed at the public meeting.

Thanks.

Carolyn
